Download (only in Spanish) Keep in mind
The main purpose of these reports is to monitor the vulnerabilities and risks of the financial system. Opinions and potential errors are the sole responsibility of the authors, and their contents do not compromise the Board of Directors of *Banco de la República* (the Central Bank of Colombia).

AUTHORS AND/OR EDITORS Clavijo-Ramírez, Andrés Felipe Gómez-Molina, Andrés Camilo
The Financial Stability Special Reports accompany the publication of the Financial Stability Report, providing a more detailed analysis of certain aspects and risks relevant to the stability of the Colombian financial system.

Publication Date: Wednesday, 30 of December 2020
This report analyzes the results of annual surveys on financing structure and foreign exchange risk applied to a representative sample of companies by *Banco de la República* (the Central Bank of Colombia) and Fedesarrollo. The report aims to deepen the knowledge of the firms' financing and the use of instruments derived from the exchange rate.
